General Guidelines for Productions

(may vary by production)

If you are not cast in the role you desire, this does not mean that you did not have a good audition. Many considerations go into the casting of a show and sometimes there are factors beyond anything you can control.

Expectations for Actors and Parents:

Attend the MANDATORY Cast/Parent Meet & Greet.

Return the paperwork/production fee on time.

Drop off and pick up your actor on time.

We count on parent volunteers to work on Sets/Costumes/Props/Green Room/Concessions/Ad Sales/Etc to make sure the production will be the best it can be! We really need every family to participate!

The \$225 production fee includes a show t-shirt, professional show photos, beautiful keepsake photobook and DVD (when allowed).

Fee is due at the Meet & Greet, August 27, 2022. Monthly payments can be arranged.

If you are cast, you will be expected to be at all the rehearsals your character is scheduled for - except for the ones listed on your conflict sheet. Please limit conflicts to no more than 5 total. The more conflicts you have, the more it might affect your casting.

Please check all that apply:

_____ I understand that I am responsible for the \$225 production fee

_____ I understand that my family is needed to volunteer to help on a production team

_____ I will accept any role offered to me

_____ I will only accept the role I specified
