

Into the Woods Conflict Calendar 2022

Please list your conflicts on the corresponding days on the calendar below. If you are unavailable the whole day/night, please put an **X**. If you are unavailable for only part of the rehearsal day/night, please list only the time frame for which you are **unavailable**. All Tech Rehearsals and Performances are Mandatory. A "possible" conflict will be noted as a conflict. Leaving the space blank indicates that you are available to rehearse that day. **Please limit the number of conflicts to 3 total. Putting on a production of this caliber requires dedication and commitment from each and every cast member.** Too many conflicts could affect casting. We do our best to only call when your particular role is being rehearsed. Please give conflicts for all weeknights in case we see the need to call something extra along the way. Sunday performance dates are not listed, but will occur during the afternoon on the Sundays following the listed Friday/Saturday performance dates. Thank you!

I have listed every rehearsal I will miss during the rehearsal period. **This show's rehearsals will now be conflicts for other things that come up over the course of the rehearsal process.** I understand that any absences from a scheduled rehearsal, including the rehearsals I have listed above, can result in my exclusion from portions of the show. This includes absences due to illness, as well as commitments to school, church, and family. I understand that this is not a punishment, but that each rehearsal must progress (regardless of my absence) to result in a great show. I understand that missing a performance is not permitted.

Upon signing this calendar, you agree to make this show a priority during Rehearsals, Tech Week, and Shows.
